### HILTON FEAST WEEK

Welcome to the 21st Modern Day Feast Week Celebrations.

Through the years many villagers have donated time and effort to ensure this tradition continues.

The Committee would like to take this opportunity to thank all individuals and companies which have donated prizes and services to Feast Week.

Feast Week is organised for the enjoyment of all villagers, their families and friends. Although all entertainment is free this week, a lot of organisation and effort has gone into fundraising events through the year to ensure this year's festivities are to the same high standards as normal.

We hope that everyone will enjoy Feast Week '98.

Any residents who would like to be involved in Feast Week '99 should contact the Chairman.

### HILTON GRASS MAZE

'English Heritage has recently donated some £10,000 to the village so that the Parish Council (PC) could refurbish the Maze. It is, at the moment, in wonderful condition and is the jewel in Hilton's crown. The PC is concerned about possible damage to the Maze by its intensive use during Feast Week; however, the PC agreed that this village amenity should remain open during this special week. Parishioners are, therefore, requested to take care with the walling and turf and not to allow children to ride on the Maze. The cost of repairing any damage will be a direct cost to Hilton and, in the end, come from parishioners' pockets.

## **Hilton Feast 1998**

A few words from the Vicar, the Reverend Peter Cameron.

In 1993 Joan and I came to our first Hilton Feast, and now, after five happy years at Hilton and Fenstanton, we approach our last Feast - that is, the last for us. In the autumn we move to Grantchester, and I take this opportunity to thank you all for your friendship and encouragement while I have been your vicar.

Of course, Joan and I are not the only ones to have come and gone during these five years. Life is such that many individuals and families move into and out of our village all the time. One of the many good things about the Feast, as we found five years ago, is the opportunity it gives to get to know people promptly on arrival in the village.

At the various events we enjoy each other's company in an easy way not always possible otherwise. For the sheer fun of the Feast we must thank those who have worked so hard at the great variety of arrangements. Nor should we forget the patron of the Feast, St. Mary Magdalene, in whose honour it all originated. Come if you can to the Patronal Feast Family Service, at 11am on Sunday July 26<sup>th</sup> at our Parish Church. There we shall know that God blesses our happy Feast time together, in the week that follows, and in all that flows from it of friendship and enjoyment.

**God bless you all this Feast Week!**

Your friend and vicar, Peter
