

Pirate Treasure Hunt

Oh no, the pirates' parrot Calico Jack has taken the gold coins from their treasure chest! He is too cheeky to just give them back so he has decided to hide them around the village instead - can you help find them?

They will be hidden throughout the village on the afternoon of Friday 30th July (1pm - 4pm) – how many can you find? And can you locate Calico Jack? Complete the section below and hand into the Kids' Bar on Friday evening to claim a piece of treasure.

How many coins did you spot?

Did you find Calico Jack?
Where was he?

Please take care as you walk round the village hunting looking for the treasure. Some of the roads can be busy at times and paths uneven.
